New Local Product: North Coast Seafood
The Abbey Group is proud to announce our Sea to School program. We have contracted with North Coast Seafood in Boston MA. A great third generation family run business. The fishermen are catching GMRI Certified Sustainable Wild Acadian Redfish, locally in the Gulf of Maine. Each fish is caught individually with line and hook. North Coast Seafood fillets the fish, debones the fish, and then breads the fish with low fat Cape Cod breading. This is a whole muscle kid friendly healthy product. We are excited to menu this restaurant quality product and support local business in New England.
