Student Accounts, Payment and Pricing

The Food Service program uses the Nutri Kids computer point of sale system to track student account transactions. Parents may view student purchase history and receive low balance notifications free of charge. Nutri Kids also allows users to deposit money or make payments on account for a nominal fee. We recommend using the Nutri Kids on-line payment feature at www.myschoolbucks.com to deposit funds or send a check directly to the cafeteria made payable to **William B. Tecler Hot Lunch Program** the first of the week. Please write your child(ren)’s name and or ID number clearly. Cards for K-2 students with the student’s school food service ID number will be issued the first week of school. This number will be used to track the student’s account transactions throughout the year. A detailed report may be requested at anytime. *Snack beverages, additional entrées or other a la carte purchases may be purchased on accounts in good standing.* To **prohibit or limit** a la carte purchases please call the cafeteria or visit our website for the email address at: www.abbeygroup.net. Breakfast and lunch meal menus and prices can also be found on our website www.abbeygroup.net and on the school lunch menu sent home each month.

Snack Beverage Policy

All students participating in school snack programs **must** pay for milk or juice regardless of income eligibility. Milk is included in the price of all school meals. Students with free or reduced meal benefits are reminded that milk is only included with a complete meal otherwise a la carte prices apply.

Choice & Variety

The Food Service program offers many breakfast and lunch choices daily. Please visit our website for the daily meal offerings at your school: www.abbeygroup.net. Assorted fresh fruit and vegetables as well as a choice of milk are included with every meal.

Breakfast Program

The Abbey school breakfast program is open to everyone. Studies have shown that eating breakfast can reduce stomach aches, improve alertness, and overall help students be better learners. Our breakfast program offers daily choices such as: yogurt parfait meal, ham and cheese on a whole wheat bagel, sausage & cheese muffin, scrambled eggs and breakfast bun, fruit filled muffins, hot or cold cereal, and other breakfast entrees available on a rotating basis. All breakfast meals include milk and fresh fruit.

Field Trips

The Food Service program loves to make bag lunches for any occasion. Please place your order through the classroom teacher 3 days prior to the trip. The price is the same price as for lunch. The bag lunch contains a healthy sandwich, fresh fruit and vegetables, whole grain chips, milk or juice. There are classroom incentives available for large orders. Free and reduced lunch prices apply to bag lunches for those who qualify.

Promotions

The Food Service program provides promotional and entertaining events throughout the year such as holiday meals, barbecues, and more. We encourage parents and other family members to join their children and The Abbey Group for these fun filled occasions. All promotions are to encourage healthy eating and involve the community in the National School Lunch Program. The promotions are advertised on the menu with the details posted in the cafeteria.

Nutrition

The Food Service program is actively involved with the Department of Education School Nutrition Programs, School Nutrition Association, New England Dairy Council, and many other organizations to bring healthy, appealing, delicious meals to your school. We incorporate low fat, low sodium cooking techniques and we offer 100% whole grains with all our menu choices. The Abbey encourages healthy eating habits with our "Eat Smart Play Hard" nutrition class. Eat Smart Play Hard is a fun filled presentation designed to teach students about making healthy food choices and being physically active.

Dishing Up Local

The Abbey Group proudly supports Farm to School activities to connect the cafeteria, classroom and the community. Farm to School objectives include improving student nutrition, providing agricultural, health and education opportunities and supporting local and regional farmers. The Abbey Group directs its purchasing efforts to include locally grown produce & locally made products in our menu production. We feature a monthly menu devoted to local ingredients including those grown in school gardens. Please contact us if you would like to participate in a local farm to school initiative.
